Body

Two people have been found dead at a house in Columbus, in what police are calling a case of **murder/suicide**.

Police say investigators have determined that 23-year-old Danielle Latif (luh-TEEF') of suburban Reynoldsburg was shot numerous times by ex-**boyfriend** Richard Crosby. They say the 20-year-old then turned the gun on himself.

The woman's family members discovered the bodies Tuesday evening at Crosby's home, about a mile and a-half north of the Ohio State **University** campus. A few hours earlier, the family had contacted police saying Latif was missing.

Officers say it appears the Capital **University student** was at Crosby's home on her own free will.
